

RESOLUTION 2025-11
CITY OF HAYWARD, FREEBORN COUNTY,
STATE OF MINNESOTA

Cash Donation from the Hayward Booster's Club

WHEREAS, the City of Hayward accepts and welcomes donations from groups, businesses and individuals for the support of the different departments and funds within the City of Hayward; and

WHEREAS, the state requires that the city accept these donations by resolution, stating how much the donation is valued at; whether it is cash or a gift of items and what the donation will be used for if the donation is paid in cash;
and

NOW, THEREFORE, BE IT RESOLVED, that the City of Hayward hereby gratefully accepts a cash donation from the Hayward Boosters Club in an amount equal to Freeborn Construction's bid of \$85,584 for the demolition and clean-up of the former school site.

This donation will fund the following scope of work:

- **\$50,560** for mobilization of demolition equipment; disconnection and removal of water lines; backfilling of the entire site; removal of footings and the septic tank; and furnishing and placing approximately 250 cubic yards of topsoil, including erosion control measures and seeding.
- **\$26,144** for removal and disposal of all building debris following demolition,
- **\$3,880** for tree removal, including hauling and stump grinding.

It is noted that removal of the heating fuel tank is excluded at this time due to outstanding environmental and technical variables requiring further investigation. The City Council recommends allocating an additional **\$5,000** to cover potential costs for time and materials associated with the tank's future removal.

Despite this contingency, Freeborn Construction's proposal remains the most competitive and comprehensive for the project.

Adopted on this 10th day of March 2025.
